Further Viewing

- 97% Owned - <https://www.youtube.com/watch?v=XcGh1Dex4Yo>
 - 97% owned present serious research and verifiable evidence on our economic and financial system. This is the first documentary to tackle this issue from a UK-perspective and explains the inner workings of Central Banks and the Money creation process.
- Money as Debt - https://www.youtube.com/watch?v=jqvKjslxT_8
 - Essential viewing on money and the banking system. Money As Debt is a fast-paced and highly entertaining animated feature by artist & videographer, Paul Grignon. It explains today's magically perverse DEBT-MONEY SYSTEM in terms that are easy to understand.
- Princes of the Yen - https://www.youtube.com/watch?v=p5Ac7ap_MAY
 - “Princes of the Yen” reveals how Japanese society was transformed to suit the agenda and desire of powerful interest groups, and how citizens were kept entirely in the dark about this. Based on a book by Professor Richard Werner, a visiting researcher at the Bank of Japan during the 90s crash, during which the stock market dropped by 80% and house prices by up to 84%. The film uncovers the real cause of this extraordinary period in recent Japanese history.
- Money and Life - <https://www.youtube.com/watch?v=VB5HOYdlGE8>
 - Money & Life is a passionate and inspirational essay-style documentary that asks a provocative question: can we see the economic crisis not as a disaster, but as a tremendous opportunity? This cinematic odyssey connects the dots on our current economic pains and offers a new story of money based on an emerging paradigm of planetary well-being that understands all of life as profoundly interconnected. Money & Life invites us to meet the challenge of our time: to participate in the great transition to a sustainable, equitable and restorative economy that meets the needs and realities of the 21st century.
- The Money Fix - <https://www.youtube.com/watch?v=TwmM5Nb6hiE&x-yt-cl=84411374&x-yts=1421828030>
 - “Money is just information, a way we measure what we trade, nothing of value in itself. And we can make it ourselves, to work as a complement to conventional money. It’s just a matter of design.” Money is at the intersection of nearly every aspect of modern life. Most of us take the monetary system for granted, but it has a profound and largely misunderstood influence on our lives. ‘THE MONEY FIX’ is a feature-length documentary exploring our society’s relationship with the almighty dollar. The film documents three types of alternative money systems, all of which help solve economic problems for the communities in which they operate.
